

# HONORARY MEMBER NOMINATION FORM

Honorary Membership is bestowed upon an individual who is designated by a majority vote of the membership at an Annual General Meeting, in recognition of long and distinguished service to the livestock industry.

## CRITERIA FOR SELECTION

1. To be eligible for Honorary Membership, a person should be so outstanding that there can be no question about his/her suitability, integrity and ethics.
2. The designation should recognize the contribution of the individual, rather than that of an individual representing the accomplishments of many.
3. Honorary Membership should be conferred because of a contribution of more than passing interest and of more than local achievement; rather his/her contribution to the industry in its entirety.

## NOMINATIONS PROCEDURE

- a) Any member, except current Board members, may nominate an individual for Honorary Membership.
- b) The nominee need not be a member of LMS.
- c) The nominee may also be someone in Saskatchewan who has made a significant contribution to the livestock marketing industry.
